

# Be My WITNESS Sean mis TESTIGOS

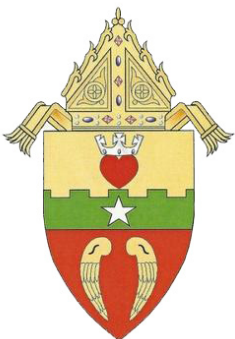

Presented by RENEW International

## Join us for Parish Leadership Workshop for the Diocese of San Angelo

Offers an in-depth review of the entire process—including video learning modules, guidebook, timelines, parish assessment tool—and an understanding of how to become an evangelizing parish. Draws on inspiration from Pope Francis' *The Joy of the Gospel*, which challenges parishes to create a culture of witness. The parish team creates a timeline for the rollout.

**This meeting is for priests, staff, and parish leaders.**
